

Congratulations to our *Bishop Grimes Varsity Girls' Basketball Team and coaches* for their undefeated regular season and their outstanding postseason play!

Congratulations to our *Bishop Grimes Varsity Boys' Basketball Team and coaches*, too, for their successful season as they move on toward section finals on Sunday!

I am especially proud to announce that Bishop Grimes has won the *Mike Anthony Award for Sportsmanship and Hospitality* given by members of the Syracuse - Oswego Board of Officials. The award is given by CNY basketball officials who select a school whose athletes show good sportsmanship and a welcoming spirit to opponents from all those they serve throughout the region.

Their success on the hardwood is not surprising to us as it is a demonstration of the perseverance, diligence and undying effort we witness as they approach the challenges of each day. We are eyewitnesses to their faith-in-action on a daily basis. As always God is alive in those invested in our school faith community.

Thank you to all the fans that have supported all of our athletes and all of our teams!
