## **What was the highlight of your Senior year?**

The highlight of my Senior year was when we won the Troy Invitational Basketball Tournament. We faced two tough Albany area teams and beat them both which gave us the spark we needed for the rest of the year.

## **What is your advice to your graduating class?**

My advice to my graduating class is to remember what we have learned at Bishop Grimes. We received a great education centered around our faith and it is something we should take with us for the rest of our lives.

## **During the past four years, who has inspired you the most?**

During the past four years, my parents have inspired me the most. They supported me through all of my basketball seasons and were there for me after every game whether we won or lost. I will also always remember all of the late nights they stayed up with me while I was doing homework to ensure my success in the classroom. They always pushed me to be the best I could possibly be and I will always be grateful to them for their support.

## **What message would you give to your 8th grade self looking back?**

I would tell myself to keep working hard because it will pay off in the end.
