Elizabeth Turton - 7th Grade

Libby is always a bright light in my classroom. She brings great energy and a ton of laughs to class each day! She encourages her classmates, always volunteers to read aloud from our textbook, and has a positive mindset each day.

Anthony Carter - 8th Grade

Anthony is very responsible. He is always ready for class and ready to learn. He is so nice to his fellow classmates. Everyone loves having him in class.

Casey Mierek - 8th Grade

Casey is a hard worker, always is quick to offer a hello, gives of his time and talents wherever he is able to do so, and is active in a variety of extracurriculars. His friendly personality and motivation to succeed both in and out of class is exemplary, and his enthusiasm is contagious.

Julia Ryan - 9th Grade

Julia is not only an amazing student to have, but she's also a great teammate to have. She is encouraging, enthusiastic and positive. She is a strong leader amongst her peers inside and outside of the classroom.
