

FRIDAY FEATURE:

# NATIONAL HISTORY BOWL COMPETITION

The Bishop Grimes History Bowl Team traveled to Arlington, Virginia last weekend to compete in the National History Bowl Competition.

The team competed against schools from all over the country, including those from Texas, Florida, Illinois and New Jersey. Ms. Nolan & Mr. Fandrigh, both Social Studies Teachers, are so proud of the BG History Club Team!

This event is part of the International Academic Competitions that take place throughout the year. The team kicked off the competition with an Opening Ceremony. Then Saturday, Matthias, Marek and Aiden participated in a ten-round competition which consisted of questions that covered a wide variety of history topics.

Ms. Nolan said, "The team has worked incredibly hard during this competition and look forward to expanding and getting back to The National History Competition in Arlington, Virginia next year!"

**GO COBRAS!**
