JEKYLL & HYDE

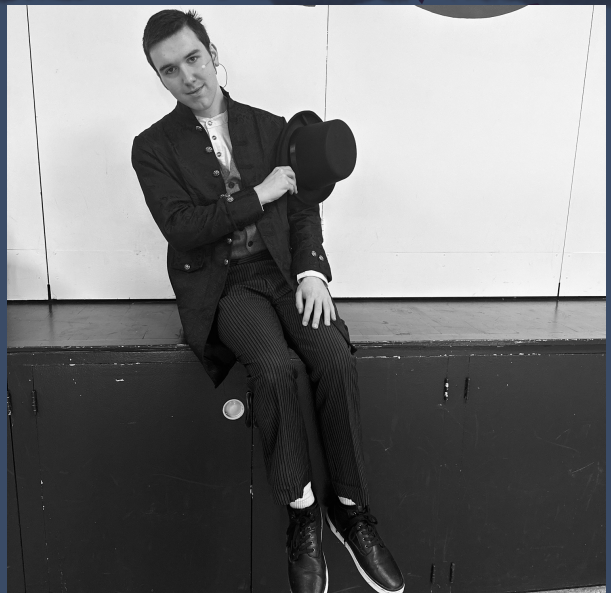

ON THE BG STAGE

The Performing Arts Department has been hard at work since January preparing, practicing, and building sets. They are ready for opening night! Director, Ms. Danielle Carter, is excited to see all the hard work come to life!

"I AM MOST EXCITED ABOUT THIS YEAR'S PRODUCTION BECAUSE I FEEL IT HAS CHALLENGED AND TAKEN US TO THE NEXT LEVEL AS A THEATER DEPARTMENT."

-Senior, Matthew McDowell, lead role of Mr. Jekyll & Hyde.

This production is special because there are ten seniors, many of whom have been performing since 7th grade or before, as prospective BG students. Senior Victoria Coppola expressed that this year's performance is one of her favorites because both she and her best friend get to be leading ladies together.
