

# BISHOP GRIMES

JR/SR HIGH SCHOOL

Ty-Gabriel's next job will bring him to Naples, Florida, where he will be performing at the Arvada Center's production of Camelot. While speaking with our BG students, Ty-Gabriel discussed techniques for preparing for an audition, offered students things to consider as they think about what they would like to do in the future, and spoke about the importance of being grateful and extending grace to themselves and others they will encounter. Students asked a number of questions concerning Ty-Gabriel's experiences on stage, including when he was at BG, as well as his methods for preparing to perform.

To conclude, Ty-Gabriel offered our students the following life lesson that he has learned, "Learn how to broaden your definition of success and narrow your definition of failure." Thank you, Ty-Gabriel, and break a leg!
