

COBRAS OF THE MONTH

MAY

Ashlee Brisson - 11th Grade

Ashlee is kind and always goes out of her way to help others. She works hard in and out of class and meets challenges with redoubled determination.

Tavin Patte - 10th Grade

Tavin has outstanding work in science/Living Environment. For first semester, Tavin had an overall grade of 100 and also scored 100 on the semester final. He is the only student to have achieved that distinction this year.

Antonio D'Agata - 7th Grade

AJ is always prepared for class. He follows along, participates, and answers questions in class. He is a great classmate also. He helps others with problems in class, and always puts his best effort towards his work.

Faith Montanaro - 7th Grade

Faith is a wonderful student who works hard to achieve her best in the classroom. In May, she was inducted into the Junior National Honors Society. In addition, Faith also gives of her time alter-serving for mass. Faith is a great example of how a Bishop Grimes Cobra should be!
